

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

BAGSTER-COLLINS FIRST BOOK IN GERMAN

is

- I. Progressive and practical, using the most modern methods for the attainment of practical results.
- II. Flexible in content and method, and therefore exceptionally well adapted for use under the varied conditions that prevail in American schools.
- III. Well organized,—the principle, one thing at a time, being emphasized throughout.
- IV. Interesting in thought content. It introduces the student to German life and literature.

And it is praised from coast to coast.

Eugene M. Bittner, a teacher in the high school at Fredericksburg, Texas, writes:

"Bagster-Collins' First Book in German is one of the best books for beginners I have ever examined; the direct method of teaching modern languages comes more and more to the front and its principles are set forth in this book in an admirable way."

Miss Constance M. Dewey of the high school at Chico, California, says:

"I take great pleasure in expressing my entire satisfaction with it (Bagster-Collins' First Book in German). The pre-eminent excellence to me is the very frequent use of idioms, and the description of German customs and German places. In short the book is vital. The students feel perforce that the language is living, and not something relating merely to the color of the leaves, etc."

THE MACMILLAN COMPANY

NEW YORK

BOSTON—CHICAGO—SAN FRANCISCO—DALLAS—ATLANTA

Geo. Brumders Buchhandlung,
